## 23<sup>rd</sup> ANNUAL WILLOW CREEK CLASSIC

The object of this event is to promote an appreciation and understanding of history, agricultural and public uses of land, water, plants, and animals and their relationships to one another.

### WHAT IS THE EVENT?

The Willow Creek Classic began in Gallatin County in 1984. It was held at Willow Creek, hence the name. Gallatin County hosted the first six events. In 1989, it was decided to rotate the event among several counties. This year, the camp will be held near Rat Lake in the Squaw Creek Drainage of the Gallatin Canyon.

The Willow Creek Classic is intended to provide hands-on experiences for youth and adults in southwest Montana in Natural Resources, Wildlife, History & Geology.

### WHAT HAPPENS EACH DAY?

Educational programs are scheduled throughout Saturday and Sunday morning including:

- Montana & Hi's Wildlife Habitat Education Program (WHEP)
- Fire Ecology - the role of fire in the National Forest
- Fishery/Triple Identification
- Dutch Oven Cooking/Bread in a Bag
- Muzzleloading
- Fishing

## THIS IS AN EVENT FOR: FAMILIES, YOUTH AND ADULTS
